Dear Mr. Hedberg,

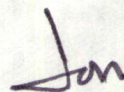

In looking over the MR-4 form which we filed with you last week, I realized that I left out the section identification.

Consequently, I am enclosing a corrected version for your files and I sincerely apologize for any inconvenience this may have caused you.

I will begin work on the final permit in the very near future and therefore, I will be talking to you again very soon.

We appreciate all of the help you have given us thus far and we look forward to working with you and the Department in the future.

Sincerely,

Jon E. Kelly
Vice President Mining
